

MARINE PERRIN

Long-term mission statement: Contribute to impactful and sustainable business practices.

Career Objective: Actively seeking an E-COMMERCE role to leverage my sales and procurement experience in an international and dynamic environment.

PROFESSIONAL EXPERIENCE

Nestlé, Paris- September 2025-January 2026

Category Manager NESCAFE for Auchan, Casino, Monoprix, and Franprix

- Implemented commercial strategies and tailored action plans for major retail accounts.
- Managed promotional plans and piloted a €4M budget across my assigned retailers. Budget monitoring with management control and pre-evaluation of promotional operations. Market and category analysis.
- Strengthened customer relationships to position Nestlé as category captain in coffee.
- Coordinated with national marketing teams and supervised field sales execution for full in-store deployment.
- Recommended client-specific merchandising strategies and developed planograms to support full category-driven execution

Nestlé, Paris- September 2024-September 2025

Strategic Buyer (Apprenticeship) – Local Indirect Marketing and Sales

- Managed supplier panel and sourced new providers
- Led 15 full-cycle tenders (from sourcing to contract), with spend levels between €100K and €1.5M.
- Supported internal stakeholders and led cross-functional projects

Nestlé, Paris- January-June 2024

Assistant Category Manager Infant Nutrition (Internship) Carrefour, Provera & Casino

- Delivered monthly retail performance reports and weekly newsletters to 20 stakeholders
- Conducted business plan market reviews and participated in distributor meetings
- Led the creation and end-to-end execution of 5 trade marketing operations
- Coordinated sales force interface, performance analysis, competitor benchmarking, and contributed to planogram design
- Redesigned the HOURS Drive interface, pitched and secured full adoption by the client.

Filorga (Colgate Group), Paris- July-December 2023

Marketing & Sales Administration Assistant (Internship)

- Managed contracts, sales workflows and client partnerships
- Coordinated stock management for 120 pharmacy deliveries across three internal departments
- Gained full-cycle exposure to pricing strategy, rebates, and sales conditions.
